

## Terms & Conditions of Trading

All work supplied by Bremadent Premier (Bristol) LTD shall remain its sole property until full payment has been received by the customer. Any discounts negotiated will be settled by the 15th of every month.

All prices quoted in the price list are for standard work only. Prices given were correct at the time of going to press and are subject to change without prior notice.

Terms are strictly net monthly. All accounts are payable by the 28th of the month on receipt of statement.

All prices quoted include carriage from our laboratory to anywhere in the U.K via first class mail. Carriage is charged extra for overseas.

A surcharge of 5% is levied on all accounts which are 30 days overdue and 10% per month on 60 days and thereafter.

Errors on account and claims for faulty work or non-delivery must be notified within 14 days of the invoice date, otherwise the account will be deemed to be correct and the amount invoiced will be payable.

All work is carried out in our own laboratory, which provides the finest working conditions. It is our aim to provide satisfaction and to this end we use the finest materials and the most modern equipment and techniques available.

All technicians are GDC registered and receive training via the PTC system which helps to ensure uniform standards of quality and technical precision.

Laboratory instructions sheets and freepost labels are supplied on request. A free collection and delivery service is available in many central and southern counties.

A quotation service is available for all implant, bridges and denture work. Technical advice is given for all dental restorations including precision attachments, reconstructions and other advanced restorations (Implants). Please supply study models and any other relevant information for this service.
